## FEDERAL CAPTAIN IS MUCH PLEASED

Grateful to Lee Camp for Accepting Offer of Service Pension.

WRITES TO CAPTAIN STRATTON

Veterans Meet and Discuss Plans for the Coming Reunion.

Captain J. Taylor Stratton, adjutant of R. E. Lee Camp, No. 1, Confederate Veterans, has just received from Captain Edward F. Griswold, of St. Johnsbury, Vt., a letter acknowledging one from the adjutant, wherein Captain Stratton accepted on behalf of the camp Captain Griswold's offer to turn his service pension over to the camp. Captain Griswold first wrote to the postmaster of Richmond, tentatively tendering his service pension of \$12 per month to some Confederate camp or charitable organization. The letter was turned over to the adjutant of Lee Camp, who wrote, accepting the offer on behalf of the camp, and requesting that the money be sent to the president of Lee Camp Soldiers' Home, and expressing the grateful appreciation of the camp of the noble and magnanimous action of a former foe.

Letter Received.

Captain Stratton has since received the following letter from Captain Griswold:

St. Johnsbury, Vt., April 26, 1907.  
J. Taylor Stratton, Adjutant, R. E. Lee Camp, No. 1, Confederate Veterans, Richmond, Va.  
My Dear Sir:—I was very much pleased with the receipt of your letter of April 4th, informing me of the acceptance by your camp of my offer, made through the postmaster of Richmond, of my service pension to any Confederate camp willing to accept it; best of all, the generous reciprocating sentiments expressed therein.

I felt that perhaps it was a venture and might, for reasons, be courteously declined. Yet I felt that as the two contending armies had during those dark days of the "sixties" on cessation of hostilities met fraternally between the lines and exchanged coffee and tobacco; met at other and sadder times when burying the common dead—that the long intervening years since then might have served to soften, though never to efface, the recollections of those days to the extent that would permit of fraternalizing again, and I am not disappointed. Nobly you have accepted, and I thank you.

My application for the service pension was received by the department and acknowledged last month, in time to commence with the celebration of Memorial Day, April 1st, as soon as received by me it will give me great pleasure to send, as you request, to Captain E. J. Bosh, president of Soldiers' Home Board, Richmond, Va. With kindest regards.

Sincerely yours,  
(Signed) E. F. GRISWOLD,  
Captain Eleventh Vermont Volunteer, Vermont Brigade, Second Division, Sixth Army Corps.

Meeting of Camp.

The regular meeting of Lee Camp was well attended last night, interest in the approaching reunion attracting a large number of veterans. The camp accepted an invitation to participate in the annual celebration of the late war, to be held at the Soldiers' Home, Friday afternoon, May 10th. Owing to the numerous calls for parades during the reunion the veterans will not march to the cemetery, but will assemble at the Oakwood gate. The memorial service will be preached at 8 o'clock to-morrow evening by the pastor, Rev. William H. Proctor. The veterans will assemble at the church at 7:30 o'clock.

The camp also accepted an invitation to take part in the commemoration of the Hebrew Memorial Day, May 15th.

Rev. J. William Jones, D. D., who had been asked to read his address, delivered in Boston recently, was present, but suggested that there was but one more meeting of the camp before the reunion, which was not already scheduled for coming day, and that the meeting be postponed until after the reunion. A motion was made by a comrade to that effect, and it was adopted.

Mrs. Norman V. Hanson, a teacher, came to lead her for the ornamentation of the Daughters of the Confederacy Building at the Jamestown Exposition, some of the decorations and the rear room of the building. The request was unanimously granted.

The usual routine and discussion of finance was disposed of, and the camp adjourned.

All-Day Holiness Meeting.

An all-day holiness meeting will be on to-morrow in the West End Rescue Mission, No. 506 West Cary Street. Services will be held as follows: 10 A. M., Sunday-School Lesson, taught by a competent teacher; 11 A. M., testimony and praise service, sermon, "Divine Guidance"; 2:30 P. M., "Heavenly Unity"; 4:30 P. M., the structure of the "Carnal Mind"; 5 P. M., holiness revival.

Judge Horsley Much Better.

(Special to The Times-Dispatch.)  
LYNCHBURG, Va., May 3.—Judge John D. Horsley, who has been abroad for several months, landed in New York May 2d. The many friends of Judge Horsley will be greatly pleased to hear of his improved health. Friends from Lynchburg who met the Judge in New York wire that he looks well. He was accompanied on his trip by his nephew, Mr. Edmund P. Halsey, Sen. from Virginia, and other friends. Mrs. Martin's health is also much improved.

FEEL RUN DOWN?

Many people do in early spring. Perhaps it is the reaction from the winter months of living. But whatever the cause, it is an unpleasant condition, unfitting the victims for the activities of life—the proper enjoyment of life itself, in fact. A simple, altogether unobjectionable remedy, well calculated, according to physicians, to restore the lost tone and vitality to the rundown system is composed of 1-4 oz. Fluid Extract Buchu, 1 oz. Bulbo Mixture, 1-4 oz. Fluid Extract Gentian Compound and 1-4 oz. water. These ingredients are obtainable at small expense at any good drug store and may be combined by the pharmacist or at home, as desired. The dose is one or two spoonfuls three times a day, before meals. The preparation is said to be one of the best spring tonics known to medical men.

## WISCONSIN MAN ROBBED ON TRAIN

Valuable Papers Stolen and J. W. Wilson Arrested on Suspicion.

J. W. Wilson was arrested yesterday morning at Elba Station, charged with being a suspicious character. He is suspected of having robbed W. H. Bowe, of Wisconsin, a passenger on the train due in Richmond at 11:40 A. M., of \$150 in cash, a check for \$200, signed by Pollard & Dagby, of this city, and other valuable papers. The arrest was made by Officer J. H. Thomas.

The prisoner was searched at the Second Station, but only a few insignificant things were found in his possession. Wilson stoutly protested his innocence, but he will be detained a few days to give the detectives an opportunity of working up the case. He will be arraigned in the Police Court this morning. Mr. Bowe had been to Ashland on a visit to his son there. He is now stopping at Ford's Hotel.

Endless Work Required.

While the plans for the reunion are progressing rapidly, it should not be supposed for an instant that those making the arrangements have had an easy time of it. Endless work has been required of them, nor will it cease until Richmond says adieu to the last of her guests.

It seems now that there may be a shortage of horses and carriages in the city during the reunion week, and plans are being made to meet this difficulty. The demand for horses and carriages will be especially great on the day of the reunion, and it is being unavailing, and on June 3d, the day when the Davis Monument is unveiled.

Timberland Case.

The entire time of the Law and Equity Courts session yesterday was again consumed taking testimony in the long breach of contract suit of W. E. Harris and W. Miles Cary vs. William J. Payne, in which the jury is unusually numerous.

Argument Will Begin To-Day and May Be Concluded.

The argument in the presence of attorneys for both sides.

Behind the bar rail is a notable group of attorneys engaged as counsel in the case, and with them are the plaintiffs and defendant advising and conferring with them. Mr. Payne, the defendant, lives in this city, but is extensively engaged in the street railway business on the Peninsula, and until recently in Norfolk. He was, and probably is yet, the owner of an enormous tract of timber land known as the Russell Fork tract in Buchanan and Dickenson counties.

Charles V. Meredith is counsel for Mr. Payne, and Messrs. Lewis & Cary and George A. Hanson appear for the plaintiffs. The jury is an unusually large one, consisting of seven of Richmond's best known and most prominent men. They are giving close attention to the case.

The argument will probably begin to-day, and may possibly be concluded. It appears probable, however, that a verdict will not be reached before Monday, if that early.

Revival Services.

The evangelistic services now being held in the Tabernacle Baptist Church will continue through to-morrow. Special services will be held in the Sunday school in the morning for the children. The pastor will preach at 11 A. M. and at 8 P. M. The service will be led by a large choir and orchestra.

Midnight Mission.

Rescue gospel services are being held every Wednesday and Saturday night at 8:30 o'clock in the Midnight Mission, No. 114 East Franklin Street. There will be a meeting to-night at that hour. The subject will be the "New Man." Gospel meetings will be held near the mission.

Argument To-Day.

Evidence in the case of Joseph Hoffman vs. the Richmond Locomotive Works was finished in the Circuit Court yesterday. Argument will begin this morning, and it is expected that the case will be given to the jury by noon.

M. McDuff and Wyndham R. Meredith represent the defendant in the suit, and Messrs. John A. Lamb and Conway R. Sands represent the plaintiffs.

## HARD TO SECURE MEETING-PLACES

Plan for Reunion Is to Give All States a Different Rendezvous.

TARHEELS IN SANGER HALL

Jake Wells Offers Part of Allen Hotel—Colonel Gordon Hard at Work.

Colonel John W. Gordon, general chairman of the Confederate Reunion committees, is still in a state of perplexity as to headquarters for many of the veterans who are to come here to attend the meeting of the Grand Camp.

The arrangements for sleeping places for the old soldiers are in pretty good shape, but some difficulty has been experienced in getting buildings that will serve as meeting places for the ex-Confederates of the different Southern States.

According to the plan followed at all reunions, each State has a different rendezvous—a place where its own people can meet and mingle together in social converse.

The North Carolina contingent, for instance, will be quartered at Sanger Hall, while another delegation will utilize the old Crenshaw House. Jake Wells also has come to the rescue, and done the handsome thing by offering the use of certain apartments in the Hotel Allen, now located in the building opposite the City Hall. He is to move shortly to the old Valentine House, and therefore is in a position to vacate the rooms used at present as a bar and billiard room. Their location is most admirable, and Mr. Wells's generosity is greatly appreciated by Colonel Gordon.

The general chairman would have a great weight lifted off his mind if other property of this class could be offered to the old soldiers on reasonable terms. It is not the purpose to use the rooms for sleeping apartments, but simply as offices and meeting places. The buildings, if available, should be somewhere near the center of the city. They will be subjected to but little wear and tear.

Piano for Tarheels.

It looks now as if the Johnny Rebs from North Carolina are going to carry the town by storm when the reunion begins. Their headquarters at Sanger Hall will be well fitted up, and will have many conveniences—new to say the least—which the old soldiers of other States will not be able to afford.

A donation of a piano has been hired, and in addition to this the Tarheels will bring many accomplished singers with them. Their chaplain also is coming, and will lead the services. The Tarheels are a formidable force, and something will be done to make their stay in Richmond a pleasant one.

Unless all the predictions are erroneous, the contingent from the Old North State will number nearly five thousand, and they will constitute a little colony in themselves—a colony that will make Richmond a busy place.

It is the purpose of Colonel Gordon, in planning for the headquarters of the respective States, to keep registers of all the city's guests, and to gather information which will enable all to find strangers without the slightest difficulty.

A system will be made to gather information, and many such inquiries. Every man who comes into the city as a veteran will be asked to register at the Hotel Allen, or at the Sanger Hall.

Mr. and Mrs. Nuckols left for Buckingham county, where they will make their future home.

Pettus Very Indifferent.

The case of William B. Pettus, charged with the murder of Lizzie Allen, a colored woman, and the attempted murder of W. H. Smith, a white man, will be called in the Police Court on Thursday, May 9th. Pettus is awaiting his trial with calm indifference, and seems to have no fear of the result.

Mr. Mayfield Goes North.

Mr. Edward H. Mayfield, who has been connected with advertising agencies in this city for several years, has accepted a lucrative position with N. W. Ayer & Son, of Philadelphia. Mr. Mayfield commenced his business career in the advertising department of The Times-Dispatch. He will leave for Philadelphia in a few days.

## MOUNTED POLICE READY FOR WORK

All Horses Secured, and Squad Will Be Reviewed by Chief Soon.

The mounted police squad is now fully equipped for business, all of the twelve riding horses needed having been purchased. There are ten men in the squad, and another horse is for the use of Chief Werner, while the twelfth horse is a "reserve." The squad will be reviewed by the chief on Wednesday, in the morning session. Nothing of especial importance is scheduled to come up. The successor to Commissioner Manning is to be elected before July 1st. Mr. Manning's re-election is practically assured. It is unlikely that he will have any opposition. On June 30th, 1908, the term of Commissioner D. F. McCarthy, of old Jackson Ward, will expire by limitation, and no successor will be chosen. He is the eighth member of the Board, and one of two residing in Madison Ward. Mr. McCarthy was chosen just after the new Constitution was adopted, and just before the rearrangement of the wards, and having been elected for a full term of six years, was entitled to serve it out.

Nuckols—Holman.

Miss Annie Holman and Mr. Elbert Nuckols were married Tuesday afternoon in the home of the bride's parents on Eleventh Street. Misses Ellen and Lottie Holman, sisters of the bride, were bridesmaids. Dr. Ernest Nuckols acted as best man, and Mr. James Holman, brother of the groom, was the only other attendant. Rev. George H. Spooner, of Broad Street Methodist Church, officiated.

Mr. and Mrs. Nuckols left for Buckingham county, where they will make their future home.

## NEWS GATHERED FROM SOUTHSIDE

Three-Year-Old Son of Joseph Oppleman Killed by Street Car.

Nothing Heard from Superintendent Allen—More Candidates Out for His Position.

Mancheste Bureau, Times-Dispatch, No. 1102 Hull Street.

Junius Oppleman, the three-year-old son of Joseph Oppleman, of No. 1205 Hull Street, was run over by a street car at 8:30 o'clock last night and died at the Virginia Hospital as the result of his injuries.

With several others the child was playing in front of 1211 Hull Street, and according to the statements of those present, Junius ran into the street as car No. 440 approached, southbound. The boy was caught under the fender, though the motorman stopped his car in a remarkably short space.

Motorman Used Head.

Those who witnessed the accident state that Motorman W. F. Broom, in charge of the car, exhibited great presence of mind and at once applied his reverse current and then his emergency brake. Had it not been for his timely action the car would have passed over the child. It was generally declared that the motorman did everything in his power to save the life of the boy. Broom has been with the company a number of years and is considered to be one of the most careful and reliable men on the line. He was placed under arrest last night at 12 o'clock, but was bailed and will be given a preliminary hearing before the Mayor this morning.

The boy had his right leg broken and received a blow on the base of his brain, this causing a hemorrhage and a fracture. According to the physicians attending, the child was in a very bad condition as the accident occurred. Drs. E. T. and M. P. Rucker were summoned. Later Dr. H. S. Maclean arrived and pronounced the boy in a very bad condition, where he died several hours later.

No News from Allen.

Up to a late hour last night nothing had been heard from Superintendent William Allen, of the Almshouse, who has been missing since Monday. His disappearance caused intense interest throughout the city, and many different theories have been advanced to explain his long absence.

Mrs. Allen stated last night that she was still ignorant of her husband's whereabouts. Many of the superintendent's closest friends fear that he may have met with harm. Others are of the opinion that he is nearby, and that he simply went away on a short trip.

More Candidates.

Although no action has as yet been taken upon the resignation of Mr. Allen, there are many candidates in the field for his place. Besides those mentioned in this paper yesterday morning, there are five who have announced their intention of entering the race. They are Messrs. W. T. Smith, A. Hawkes, E. J. Nabilt, W. T. Hart and Mr. DuVal. They will make a total of about ten candidates.

Millard Martin, Deputy City Sergeant, is making a warm fight for the place, and is one of the strongest candidates. W. T. Hart also promises to be a formidable candidate. He served in the City Council for a number of years, and was chairman of the Almshouse Committee at the time the almshouse was erected.

Elks to See Governor.

A committee from Manchester Lodge, No. 1, P. O. Elks, will call on Governor Swanson this morning at 10:30 o'clock for the purpose of asking him to make

the opening address at the bazaar on Monday night.

Plans have been perfected for the opening, and the success of the undertaking is already assured. All the societies have been solicited, and the decorations have been almost completed.

The entertainment program promises to be one of the most attractive features of the bazaar.

Death of Infant.

Ernest, the seven-year-old son of Mr. and Mrs. J. N. Gorman, No. 1118 Floyd Avenue, formerly of Manchester, died yesterday morning at 10:30 o'clock. The funeral will take place from the residence this afternoon at 4 o'clock. The services will be conducted by Rev. J. H. Vaden, and the interment will be made in Mount Cemetery.

Entertainment a Success.

The entertainment given by the ladies of West End Methodist Episcopal Church last night was a great success. The formal drill by sixteen young ladies was one of the most attractive numbers. A large crowd was present at the performance.

Man's Quilting Party.

What was played on Thursday night at Globe's Hall, will be repeated there to-night by request. Those who took part were: Robert Hunter, Collie Hall, Deacon Peabody, Edw. Robinson, Miss Goodbody, Walter Taylor, Reuben Holdcroft, Richard Hughes, Freddie Master, Charles Crocker, Dinah Peabody, Miss Virginia Clement, Hettie Peabody, Miss Sarah Redford, Miranda Spriggins, Miss Mary Redford, Grandma Pepper, Mrs. T. H. Lessor, Collie Sanderson, Miss J. L. Swanson, Mrs. Doolittle, Miss Vaden, Mrs. Martin, Miss Ethel Hall, Clely Martin, Miss Annie Snyder, Mrs. Clark, Miss Ida Butler, Mrs. Parker, Miss Florence, Mrs. Spooner, Mrs. Berman, Berma Redford.

Personals and Briefs.

Manchester Local, No. 626, Sheet Metal Workers, met last night in the Corporation Court and listened to a fine address, delivered by District Chairman W. F. Bronson, of Atlanta, Ga.

Mrs. W. D. Ferguson, wife of Assemblyman Ferguson, of Fourth Ward, who is critically ill in her home, was reported to be slightly better last night.

The regular meeting of the Finance Committee was held last night, and routine business was transacted. All the bills from the various departments were received and recommended to be paid. Nothing of any other importance was brought before the committee.

Washington Camp, No. 32, P. O. S. of A., held a most interesting meeting last night at Globe's Hall.

The G. H. O. Club was entertained yesterday afternoon in the home of Mrs. Mary Vaden, 120 Cowardin Avenue.

Mr. C. N. Jackson, who has been seriously sick at his home in Swansboro, is much improved.

Miss Elsie Melster, who has been visiting in Baltimore, has returned home.

Mrs. G. W. Joyner, who has been ill for some time, is reported to be much improved.

Miss Alma Robinson, is ill at her home, 1100 Decatur Street.

BEING REBUILT.

The building at the northwest corner of Cary and Third Streets, which was recently occupied by the B. P. Johnson Publishing Company, the Southern Paper Company and other concerns, and which was burned out early in the year, is now under reconstruction. The windows have been replaced, and the building is nearly ready for occupancy again.

The Williams Building at the northwest corner of
